Dear Lil,

THANKS for all the BIRTHDAY  
Cards you sent over the years.

Your guys look great.

Dad & Sam look like Bob. + Dennis  
looks like you.

I am 69 & am beginning  
to feel it.

I retired in Feb., but  
not because I wanted to.  
The Co. I worked for closed  
the service dept on Long Island  
They wanted me to come  
with them to Edison, N.J.  
I turned that down because  
it would mean  $3\frac{1}{2}$  hrs.  
traveling every day.

I'm collecting unemployment  
checks for now. I'll  
probably look for part time

work after the check stops.

I hope you & Bob are  
in good health.

Regards to all -

Love  
Charlie.

P.S. Excuse the handwriting.

My penmanship never was  
any good. C.
