Dear Lillian,

I am finally getting around to answering your letter, only I misplaced your letter and I cant find it. I know I read it but I cant remember what you said in it. My memory stinks I even forgot your birthday and I have it noted on my desk calender. I am sorry and I hope you had a happy birthday. I will try not to forget next time.

I hope you and Bob are feeling well and Dave is doing O.K. in Iraq. I do remember you sending me some pictures and when I finish this letter I am going to turn my desk inside out until I find it.

I am enclosing a picture of Jackie and me taken about two years ago. We were in Swan Lake for the summer and decided to take a ride to Pennsylvania. Swan Lake is only about ten miles from the Penn. boarder. The picture was taken in a nice restaurant near a large lake. We had just finished eating and what you see on the table is a dessert for two. Ju st what a couple of diabetics need.

I cant  
think of any thing else right now. Jackie and I  
are O.K. and I hope you and Bob are O.K. too.  
Until next time.

I love you.♥

Charlie

P.S. I DONT KNOW what happened.  
this is the way IT PRINTED out.  
O.K.
