Dear Lillian -

I'm writing this letter, because my computer is back home & we are up at Swan Lake for the summer.

Thanks for the pictures. They look great. Irving showed me his medals the last time I went to his apt. I am glad you have them.

I had another stomach blockage a couple of weeks ago & we rushed home so I can go to the same hospital I was in the last time.

I spent 3 days there & I was lucky this time. It was only a partial blockage & it cleared itself.

I seem to be having STOMACH
PROBLEMS, Ever SINCE I STARTED
Chemo therapy. I will have to TALK
TO THE DR. ABOUT THAT when I
GO BACK IN SEPT.

I hope you + Bob are well.
This is a short letter TODAY.
I hope you can READ MY
POOR HANDWRITING. I'M PRINTING
TO MAKE IT EASIER.

REGARDS TO YOU +
BOB FROM BOTH OF US -

Love,
Charlie
